To whom it may concern,

This letter serves to confirm that Gubhuza Consultants (Pty) Ltd is an implementation partner of S'fikile Consulting. The project was to implement Wifi at Eshowe Hospital including structured cabling and fibre infrastructure. Gubhuza Consultants worked on the full rollout, which included networking and cabling infrastructure.

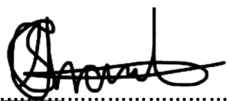

Gubhuza Consultants successfully carried out the WiFi implementation to the satisfaction of the CEO (Dr Buthelezi) and The Planning Monitoring and Evaluation Manager (Mrs Z Mzobe).

I am able to confirm that technical expertise provided by Gubhuza Consultants (Pty) Ltd was of high quality and I am happy to recommend Gubhuza Consultants for any further WiFi implementation projects.

Trusting the above is in order.

Please feel free to contact me should there be anything further that you may require.

Kind Regards
